

## **Show Participant Information**

### ***Welcome to the Emerald Coast Mustang and All Ford Show***

1. Park your vehicle as directed by the parking official. Remove keys!
2. Bring your tech ticket to the registration table. You **cannot** register without a tech ticket.
3. Display vehicle information sign on dashboard. Place judging sheet on front seat.
4. No tents, canopies etc. in the car show area.
5. Please be courteous and keep aerosol over spray (protectant etc.) to a minimum.
6. ***Judging:***
  - a. Convertibles can have tops up or down, your choice. If the top is up, it will be judged. If the top is down, the boot will be judged. Hoods and trunk/hatch open. Windows should be approximately half way down if possible. No points will be awarded to areas that are closed and not able to be judged.
  - b. We ask that you or a representative be present at your vehicle during judging.
  - c. Displays around your vehicle are discouraged. One point will be awarded for either a fire extinguisher **or** a first aid kit in the vehicle.
  - d. Judging will begin at 12:00 noon. Awards will be at 4:00 PM.
  - e. A sticker will be affixed to your vehicle information sign after it is judged.
  - f. Judging score sheets are available for \$1.00. They will be mailed out. If interested, please see the ECRMC club table.
7. ***Classification:***
  - a. Up to 3 modifications will be allowed in the stock classes. Each major area counts as a modification. For example, if a vehicle has either a set of flowmaster mufflers, or a full aftermarket exhaust installed, that is one modification. Normal wear items that are not OEM equipment, such as tires, will not be counted as a modification, unless of course they happen to be on aftermarket wheels.
  - b. Classes are subject to change due to entries.
  - c. Show officials reserve the right to determine all classifications and their decision will be final. All protests should be registered with show officials NLT 11:30 AM.
8. ***Thank you for attending and hope you enjoy the show.***
